**Schools:** Ramapo College of New Jersey, New York School of Visual Arts, Art Students League of New York  
**Website:** [georgebarecca.com](http://georgebarecca.com)

I received my BA in Fine Arts from Ramapo College of New Jersey with a concentration in painting where I studied under Robert Bero and Joanna Pousette-Dart.

My work can be found in the collections of both individuals and corporations. A solo show, sponsored by a patron, was mounted at Milshire in TriBeCa. I had a relationship with Revolution Lounge in Hell's Kitchen where I rotated my work monthly for two years running and to who's owner I sold several works. I have had relationships with several interior decorators, who placed my works with a variety of private collectors and to whom I sold several pieces directly for their own personal collections.
